HDC MAINTENANCE WORK PROCEDURES

Due to the announced State of Public Health Emergency with regard to the COVID-19 pandemic, only the following services related to Building Maintenance are to be provided during this period.

Services to Be Provided:

- 1- Troubleshooting any issues in the Main Distribution Panel & Cable of the building.
- 2- Troubleshooting any issues in the Main Water Lines of the building.
- 3- Troubleshooting any issues that occur in the Water Pump of the building.
- 4- Troubleshooting any issues in the Water & Sewerage Wells of the building.

This change is brought to ensure the health and safety of both the public and our maintenance staff during this period. Our normal services will be resumed once the State of Emergency is lifted by the relevant authorities.

HDC acknowledges the support given to us by the public in such times of crisis.
